

459.320 Exception from regulation — election for confinement feeding operations confining fish.

A person who exclusively confines fish as part of a confinement feeding operation may elect to comply with the permitting requirements of section 455B.183 in lieu of the permitting requirements of this subchapter.

2012 Acts, ch 1085, §3

[P] Compliance with applicable national pollutant discharge elimination system permit provisions required, see 2012 Acts, ch 1085, §4
